MOSTAFA MOHAMED MAHMOUD HAMAD ABU EL-MAGD

UX/UI DESIGNER & FRONT-END DEVELOPER

Al-Dakahlia, Egypt | aboelmagdmostafa999@gmail.com | Linkedin | +20 1096244719

PROFESSIONAL SUMMARY

Experienced **UX/UI Designer** and **Front-end Developer** with a strong background in creating intuitive, responsive, and visually appealing digital interfaces. Proficient in transforming design concepts into functional code using HTML, CSS, JavaScript, and modern frameworks, alongside prototyping tools like Figma. Additionally experienced in efficient data entry and management using Google Sheets and Microsoft Office. A dedicated freelance professional since 2022, committed to delivering high-quality, user-centered digital solutions.

PROFESSIONAL EXPERIENCE

UX/UI Designer & Front-End Developer **2022 – Present**

Freelance

- Designed user-friendly digital interfaces using Figma and Canva translating design mockups into functional web layouts using **HTML5, CSS3, and JavaScript fundamentals**.
- Developed **8+ responsive web templates** focusing on semantic HTML tags, responsive web design (RWD), and cross-browser compatibility.
- Collaborated with clients to bridge the gap between UI/UX design concepts and front-end implementation, reducing design-to-code iteration time.
- Managed and structured project data with over **5,000+ entries** using Google Sheets and Microsoft Excel, maintaining 99.9% data accuracy.

Data Entry Clerk **2022 – Present**

Remote / Local Organization

- Entered and updated large volumes of data, averaging 1,000+ daily records with high accuracy using Microsoft Office tools and online platforms.
- Verified and corrected over 10,000 data entries to maintain data integrity, reducing reporting errors by 15% and supporting efficient business processes.
- Collaborated with 3 cross-functional teams to deliver data-driven insights, assisting in faster decision-making tasks for local organizations.

EDUCATION

Bachelor's Degree in Administrative Information Systems **2024**

- Higher Institute of Commerce & Computer Science – Mansoura Branch

CERTIFICATIONS

- **UI/UX Design Certification** _ Developer Career Platform
- **Introduction to Digital Creation & Learning (ICDL)** _Youth Initiative by Ministry of Youth & UNDP
